Mar 2011 Geography (major) and Economics (minor)  
Aug 1999 – **Abitur**, *Kaiserin-Auguste-Viktoria Gymnasium*, Celle, *2.7*.  
Jul 2006

## Doctoral Thesis

Title *Environmental Policy: How context affects behaviour*  
Supervisors Prof. Dr. Grischa Perino and Prof. Dr. Andreas Lange  
Description I experimentally and empirically test the effects of several specifications of psychological instruments, primarily default-options, on individual climate protection behaviour. Another part of my research focusses on aspects of climate change communication, as well as public believes in climate change and how they are influenced by news media.
